Meeting called to order by Chairman Dave Rowley. Meeting was called for the purpose of having all interested water users informed on the proposed changes the Sanpete Water Users are planning under the 14000 series applications advertised by the State Engineer.

It was agreed that those present would file protests in their own names with the State Engineer.

Motion made by Mark Hanson, seconded by Crhsi Jouflas and carried, that Phil Palmer be made the fifth member of the Price River Distribution Committee Board.

Meeting adjourned at 6:45 P.M.

  
Secretary
